Robin Knuttel, MD, Medical Director

FIRST QUARTER 2012 FACE FACTS

Dr. Knuttel Named Number One!

The American Society for Dermatologic Surgery honored Dr. Knuttel and Sonoma Skin as the top volunteer screener. These free screenings are vital to detect melanoma in the earliest stages and are especially beneficial for those in our community without medical insurance or a regular dermatologist. Dr Knuttel has participated in this program annually for the past 6 years and has screened more than 600 patients detecting numerous premalignant and malignant lesions.

Sonoma Skin Welcomes New Medical Professionals

William Chow D.O., an American College of Moh's Surgery trained dermatologic surgeon, has joined our staff. His presence in Sonoma ensures that even the most challenging high risk skin cancer can be managed here in town via the Moh's technique.

New Evening and Saturday Facial Appointments

- Evening and Saturday facial appointments are now available!
- Complimentary skin analyses using Visia technology are offered in our Health & Beauty Center
- Xeomin, the new kid on the Botox block – call for details.

XEOMIN

Chelsea Davis Smith, RN has joined our staff at Sonoma Skin Dermatology. Her expertise focuses on coordination of patient care and laser medicine. Utilizing our array of state-of-the-art lasers, she treats acne, rosacea, unwanted hair, spider veins and stretch marks. **Enjoy a 15% discount on your first treatment for laser hair removal.**

Indoor Tanning Banned for Minors

Our Nation's first indoor tanning ban for all minors has been passed. Governor Jerry Brown signed into law SB746, a bill banning the use of indoor tanning by all minors under the age of 18 in the U.S.
